Performance Creative Strategist with hands-on experience auditing paid social creative for DTC brands. I specialize in breaking down what makes ads win angles, hooks, messaging gaps, and customer psychology then building testable creative concepts, UGC scripts, and strategic briefs that move people to act. I work at the intersection of data and storytelling: research-first, conversion-obsessed, and built for fast-paced DTC environments.

## KEY ACHIEVEMENTS

- Wrote direct-response copy for an Arabic education app. Delivered on brief, on time. 5.0/5 rating with endorsements for reliability and clear communication.

## PROFESSIONAL EXPERIENCE

**Performance Creative Strategist** | **Self-Directed Projects** *2026 – Present*

- Analyzed paid ad creative for DTC brands (Gymshark, Cloud Nine) across static, UGC, and video formats, mapping angles, awareness stages, hooks, and conversion gaps.
- Developed creative briefs, UGC scripts, and concept decks with hooks, messaging rationale, and testing strategy built in.
- Researched customer psychology, competitor ads, and objection patterns to inform angle development and positioning decisions.
- Built creative testing frameworks to prioritize concepts to validate first based on gap analysis and audience awareness.

**Direct-Response Copywriter** | **Upwork (Freelance)** *Feb 2026*

- Wrote direct-response marketing materials for Arabic education apps, adapting tone, offer framing, and CTA structure for the target audience.
- Maintained clear client communication throughout the project lifecycle, delivering on brief, on time.
- Achieved a 5.0/5 rating with written endorsements for reliability and professionalism.
